The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Kane County for Emergency Response Facility Expansion & Modernization in Fiscal Year 2027. The entity to receive funding for this project is the Kane County Department of Transportation (KDOT), located at 41W011 Burlington Rd., St. Charles, IL 60175.

The funding would be used for the renovation of the current KDOT building and the construction of an insulated metal building attached to the existing KDOT building. The project is an appropriate use of taxpayer funds because the building improvements will allow Kane County to safely house, maintain, and deploy critical transportation equipment necessary to respond to severe weather and emergency events.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bill Foster
Member of Congress
