The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Village of Romeoville for the Water Main Replacement Phase 3 in Fiscal Year 2027. The entity to receive funding for this project is the Village of Romeoville, located at 1050 W Romeo Road, Romeoville, IL 60446.

The funding would be used for the replacement of the water main within the Hampton Park Subdivision in the Village of Romeoville. The project is an appropriate use of taxpayer funds because the replacement of the aging and corroded water main would improve public health for residents and prevent recurring water outages due to water main breaks.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bill Foster
Member of Congress
