The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Village of Woodridge for the MacArthur Drive Water Main Improvement Plan in Fiscal Year 2027. The entity to receive funding for this project is the Village of Woodridge, 1 Plaza Drive, Woodridge, IL 60517.

The funding would be used for the replacement of approximately 2,700 linear feet of existing cast iron water main on MacArthur Drive that is aging and subject to frequent repairs. The project is an appropriate use of taxpayer funds because the replacement of the water main will prevent costly repairs and provide the infrastructure necessary to rehabilitate the roadway.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bill Foster
Member of Congress
