Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding in FY 2023 for the Fox Valley Park District bicycle and pedestrian bridge.

The entity to receive funding for this project is Fox Valley Park District, 101 W. Illinois Avenue, Aurora, Illinois, 60506.

The funding will be for final engineering and construction of a +/- 780' long bicycle and pedestrian bridge spanning the Fox River, constructed of weathered steel and providing a vital connection linking regional trails on both sides of the river allowing a bicycle and pedestrian river crossing between neighborhoods, businesses and important environmental education and recreation facilities and open spaces.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Bill Foster
Member of Congress
