The Honorable Rosa DeLauro

Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Lead Service Line Replacement Project in Fiscal Year 2025. The entity to receive funding for this project is the City of Crystal Lake, 100 W. Woodstock Street, Crystal Lake, IL 60014.

The funding will be used to replace approximately 2000 residential lead service lines in Crystal Lake. The project is an appropriate use of taxpayer funds because it will ensure residents have safe drinking water and create job opportunities for construction workers and plumbers.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bill Foster
Member of Congress
