The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Hampshire Second Fire Station Project in Fiscal Year 2025. The entity to receive funding for this project is the Hampshire Fire Protection District, 202 Washington Ave. P.O. Box 245, Hampshire, IL 60140.

The funding will be used to build a second fire station for the Hampshire community. The project is an appropriate use of taxpayer funds because a second fire station will significantly improve emergency response time and increase the fire station's capacity to serve the growing community.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bill Foster  
Member of Congress
