Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Village of Holiday Hills Sanitary Sewer Extension Project in Fiscal Year 2025. The entity to receive funding for this project is the Northern Moraine Wastewater Reclamation District (NMWRD), 113 Timber Trail, Island Lake, IL 60042.

The funding will be used for the continuation of a multi-phased project extending NMWRD-owned sanitary sewers to two unsewered communities in a flood plain. The project is an appropriate use of taxpayer funds because it will significantly improve quality of life and water safety for the Village of Holiday Hills and surrounding communities.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bill Foster
Member of Congress
