The Honorable Rosa DeLauro

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Lead Service Line Replacement – Phase 1 Project in Fiscal Year 2025. The entity to receive funding for this project is the Village of Wauconda, 101 N. Main Street, Wauconda, IL 60084.

The funding will be used to replace 289 lead and galvanized service lines. The project is an appropriate use of taxpayer funds because it will protect the health and safety of residents in the Village of Wauconda from potential lead contamination.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bill Foster
Member of Congress
