Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Darrell Road Collection System Project in Fiscal Year 2026. The entity to receive funding for this project is the Northern Moraine Wastewater Reclamation District, 113 Timber Trail, Island Lake, IL 60042.

The funding will be used to provide sanitary sewer service to unsewered areas of Lake and McHenry Counties. The funding is an appropriate use of taxpayer funds because the District's existing sewer infrastructure limits the growth potential of underdeveloped property and the addition of sewer conveyance and a lift pump station will remedy this barrier.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bill Foster  
Member of Congress
